- "Open" means The Achievement Center, My Day, Key to Success, and Business/Administration Offices are open for business and/or day programming; "Closed" means that they are not open for business that day. All other services are in operation.
- Hope Haven **tentatively** plans to offer transportation routes to and from the Des Moines area on three occasions: Thanksgiving, Christmas, & Independence Day.
- Days numbered are Agency Holidays, and must be used as a leave day by the client.
- Days denoted with (x) must be used as a leave day if client is not working.
- Client Leave: Individuals on Hope Haven client payroll — whether they qualify for paid leave or not—are allowed a total of 15 days (or more depending on length of service) per year. Nine (9) of the 15 are holidays when the agency is closed. The other six (6) can be requested when client/family desires; approval of request must be obtained from employment services supervisor for those in work services. Those clients who use Hope Haven transportation to/from the Des Moines area must count travel days as "leave days" where marked by an (X); there are four (4) of these on the 2020/2021 calendar.
